**COVID-19: SKYVIEW 2020 PRECAUTIONS**

We at SkyView and Stockholm Live always aim to give you a memorable experience. Therefore the safety and well-being of our guests are our top priority.

Our guidelines to create a safe experience for our visitors in our venues and attractions are based on the recommendations from the Public Health Agency of Sweden and also from the global VenueShield program, initiated by ASM Global in response to the Covid-19 pandemic.

# During your visit at SkyView

## Keep distance

The capacity of visitors is limited via reduced opening hours and a reduction of the maximum number of simultaneous visitors from 12 to 4 people.

## Extended cleaning

We regularly and thoroughly clean all public areas more frequently and continuously wipe and disinfect all areas where physical contact have taken place.

## Signage

Signage on our premise will remind you as a visitor to keep social distance, to wash your hands thoroughly and to use hand disinfectant regularly during your visit.

## Hygiene

Hand disinfectant is offered adjacent to the entrance and in several other locations on our premises.

# Before your visit at SkyView

## Book online

We appreciate if you make your reservation in advance online to reduce physical contact. Make your reservations at [stockholmlive.com](https://stockholmlive.com)

## Use a protective mask

We urge you to use a protective mask for increased safety.

## Card payment only

To make your visit faster, safer, and easier we only accept card payment.

## Stay home if you are sick

If you experience any symptoms, please stay at home. For additional information regarding Covid-19 symptoms we refer to the Public Health Agency of Sweden.
